

Greeters

What and Who is a Greeter?

A greeter is a person who welcomes others into the Church. He/she wishes another health and well being. Anyone and everyone can be a greeter!

Why is a Greeter important?

People are the very life of the Church, and the greeter helps facilitate this. It is a simple, yet vital role to any church. A greeter lets another know that he is important to the Body of Christ. We may not know why a visitor was brought to us, but we know who brought him here.

The First to Assist/Answer

Take them to Sunday school class or for a cup of coffee.

The First to Introduce

To new people, the church is full of strangers. Introduce them to your friends, ushers and clergy.

The First to Smile

Smiling is infectious. It helps people to prepare their hearts for worship. Being at CHC is a joy, and we are glad you came to visit.
