

## Prime Timers

Posted in [Ministries](#).

Prime Timers are:

- those in the Prime Time of life,
- those who enjoy doing things with other Prime Timers
- those between the ages of 55 (or so) and older

The Prime Timers Ministry exists to meet the spiritual, social and recreational needs of our seniors. We enjoy outings and events geared for those in the Prime Time of life and also look forward to our time together to meet, talk, and provide mutual encouragement to each other.
